Meet Your Bartlett Arborist Representative

Kevin Bulla

Kevin was born and raised in Round Rock, Texas, where he spent much of his childhood hiking, biking, and camping with his family. His appreciation of nature and outdoor sports led him to diverse jobs such as cave tour guide, nurseryman, and pedi-cab driver, and to his field of study. In 2008, Kevin graduated cum laude with a Bachelor of Science in forestry from Texas A&M. He began his career in arboriculture as a research technician with the A&M Forestry Department and a manager for a small tree company. In 2016, Kevin joined Bartlett Tree Experts. He advanced steadily, holding positions including Arborist Climber and Plant Health Care Specialist prior to Arborist Representative. Kevin transferred to the Spokane office in January 2024 and became the Local Manager in October 2025.

An ISA Certified Arborist, Kevin also has the Tree Risk Assessment Qualification (TRAQ). He values being prompt and thorough with his clients and enjoys hearing each tree owner's story. Kevin provides sound recommendations that help clients make educated decisions to care for their trees and shrubs.

Kevin and his wife enjoy exploring the NW states with their border collie/cattle dog mix, Sedona. He is an animal lover who considers meeting people's dogs a perk of his job.
