BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Rebecca Steele

Rebecca is originally from Temple, Texas, having completed a Bachelor of Science in Animal Science from Tarleton State University. She joined Bartlett Tree Experts in 2022 as a Groundsperson but quickly moved to Plant Health Care Specialist and Local Office Safety Coordinator before finally transitioning into her role as an Arborist Representative. Needless to say, she knows her stuff!

In addition to her passion or tree care, she loves the educational aspects of tree work she is able to share with clients by providing sound recommendations with the goal of preserving the health and beauty of their trees and shrubs.

When Rebecca isn't tending to her clients' trees, she can be found spending time with her horses or exploring all Northern Colorado has to offer.
