Meet Your Bartlett Arborist Representative

Cole Vincel

Cole was born and raised in Charlottesville, Virginia, where his passion for the outdoors began at a young age as an Eagle Scout. His time at Virginia Tech further fueled his love for horticulture and trees, setting him on a path to a fulfilling career in arboriculture. After graduating, Cole joined Bartlett Tree Experts, where he gained valuable experience in pruning, soil care, and insect and disease management before becoming an Arborist Representative.

Cole is an International Society of Arboriculture (ISA) Certified Arborist. He is dedicated to providing his customers with the knowledge they need to make informed decisions about their trees and shrubs. With degrees in environmental horticulture and turfgrass management, Cole offers comprehensive recommendations that support every aspect of his clients' landscapes.

Cole looks forward to serving clients in Glen Allen, Short Pump, Rockville, Manakin-Sabot, and Goochland County.

When not at work, Cole can be found anywhere except inside. He enjoys fishing, golfing, and exploring the James River.
