Meet Your Bartlett Arborist Representative

Ron Kowalski

Ronnie has been with Bartlett for 35 years and an ISA Certified Arborist for 25 years. He began his career at Bartlett as an intern in 1990, while in High School, starting at the bottom and worked steadily upward, increasing his knowledge and experience. In his tenure, he has provided just about all of the services Bartlett offers, from tree pruning and removal to pest and disease management and establishing and maintaining tree inventory and preservation programs.

Ronnie greatly enjoys meeting with people and sharing information to assist them in keeping their landscapes beautiful and safe. He brings over 3 decades of experience to your landscape and is backed up by a state-of-the-art Bartlett Tree Research Laboratory.
