LONDON

Meet Your Bartlett Arborist Representative

Anthony Harper

Anthony began his career in 2009 when, while studying an NVQ level 3 in Arboriculture at Capel Manor College, he simultaneously worked as an apprentice arborist. With a keen eye for detail and strong work ethic his career advanced steadily. Anthony joined Bartlett Tree Experts in 2018 and held positions including Arborist Climber and Crew Leader prior to becoming an Arborist Representative.

As an Arborist Representative, Anthony uses his extensive knowledge and experience to provide exceptional tree care. He takes pride in taking time to understand clients' concerns, offer sound advice and develop tailored solutions to their tree care needs. Anthony is also committed to providing safe and effective tree care services that are both environmentally responsible and aesthetically pleasing.

In his free time, Anthony enjoys spending time with his wife and son at their home in Welwyn Garden City and exploring the beautiful countryside of Bedfordshire.
