Meet Your Bartlett Arborist Representative

Ben Harris

Originally from Gloucestershire in the United Kingdom, Ben first moved to Canada in 2018. Having tried a few different locations, the magic of Victoria's oceans and rainforests was enough for Ben and his wife Amy to settle.

Ben came to Bartlett as a beginner Climber in 2019 and worked his way through the roles of Local Office Safety Coordinator and Crew Lead to become an ISA Certified Arborist and an Arborist Representative for the Company.

"No two days are the same in this profession; every backyard presents a new and unique challenge. There's an opportunity to meet awesome people, learn something new about our natural world, and contribute to its preservation. It's also hugely rewarding to see the look on our clients' faces when we bring their beloved Dogwood back from the brink, make the huge Douglas fir safe to relax under again, or return their personal Apple orchard back to its former fruit-producing glory."
