SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

John Parish

John Parish is an ISA Master Certified Arborist (MW-6167B) and Tree Risk Assessment Qualified professional. His passion for tree preservation began in 2020 through hands-on work in tree and plant health care. Since then, he's helped homeowners make informed, practical decisions to support the long-term health and safety of their trees. He joined Bartlett in 2025, bringing a strong customer-first mindset and a deep appreciation for the value of well-maintained trees in residential landscapes.

John serves on the Board of Directors for the Midwest Chapter of the International Society of Arboriculture and is currently pursuing graduate studies in Urban Forestry and Natural Resource Management at Oregon State University where he focuses on sustainable canopy management and community tree care.

Outside of work, John enjoys time with his family, trying out new restaurants, or diving into his next new hobby.
