BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Brad Penniman

Brad is a graduate of the Stockbridge School of Agriculture at UMass Amherst, where he attained an associate degree in Arboriculture, and a bachelor's degree in Urban Forestry in 2012. Brad's career started during college with a Bartlett Tree Experts internship and after graduation he accepted a full-time job in the company's Cape Cod office. He thoroughly enjoyed working in the field and held several positions prior to becoming an Arborist Representative.

An ISA Certified Arborist, Brad finds great joy in connecting with clients, both new and old, helping them maintain their trees and shrubs. He also loves to pass his knowledge along to the next generation of arborists.

Brad currently lives in Lakeville with his wife and two young children and enjoys spending as much time with them as possible.
