Meet Your Bartlett Arborist Representative

Cameron Scott

Cameron grew up in central Indiana and moved to north Texas after graduating college. He has a bachelor's degree in Forestry from Purdue University. Cameron joined Bartlett Tree Experts in 2018 and loves his career. He started as a Climber and worked his way up within the company, to Plant Health Care Technician and then Arborist Representative.

A Certified Arborist with the International Society of Arboriculture, Cameron is dedicated to providing scientifically based tree and shrub care to help clients maintain the health and value of their properties. He also loves being able to use his knowledge with tree-related community projects.

Cameron enjoys being outdoors. Backpacking, day hiking, and mountain climbing are all favorite activities. When he's not hitting the trail, Cameron can be found tending his garden, visiting with friends, or playing in the backyard with his dog.
