Meet Your Bartlett Arborist Representative

Dan Cardenas

Dan has been involved with the tree care industry since he started with Bartlett Tree Experts in 2009. He was initially attracted to Bartlett's scientific and holistic approach to tree care. He holds a Bachelor of Science in Forest Science from Penn State.

Learning arboriculture from the ground up, Dan gained valuable personal experience in all aspects of tree care. Currently, as an Arborist Representative, Dan takes great pride in offering unique solutions to enhance and care for clients' trees and landscapes.

He is an ISA Certified Arborist and is Tree Risk Assessment Qualified. His strong background in insect and disease management and love of the outdoors make Dan a natural fit for his position at Bartlett.
