BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Dan Lonergan

Dan Lonergan was raised on a family-owned horticultural farm in the Hampton Roads area where he first developed a passion for the flora and fauna that inhabit our area. He followed his passion for the outdoors to Virginia Tech where he earned a degree in Natural Resources Conservation with a focus in Urban Forestry. Dan joined Bartlett in 2013 in the Richmond, VA office where he learned arboriculture from the ground up. His love of trees took him to the Washington, D.C. area where he became an ISA Certified Arborist and honed his skills for tree preservation. Longing to be closer to family and the Chesapeake Bay, Dan returned home to the Hampton Roads area and became part of the Williamsburg, VA Bartlett team in 2018. He is focused on providing solutions-based scientific tree care for his clients.

In his free time, Dan can be found on the Chesapeake Bay searching for saltwater game fish. He is also an avid hunter and enjoys spending time in the woods every Fall and Winter. No matter the activity, Dan is in love with the great outdoors and all it has to offer.
