Meet Your Bartlett Arborist Representative

Dawn Cann

Dawn is an ISA Certified Arborist with Bartlett Tree Experts, serving clients throughout Middletown and Portsmouth, Rhode Island. I help clients make informed decisions that improve the health, safety, and longevity of their trees and landscapes.

She is committed to continuously learning and regularly participating in research trials, technical trainings, industry conferences, and visits to Bartlett's Research Laboratories. She enjoys mentoring others and helping develop the next generation of arborists.

Outside of work, she enjoys painting, playing cribbage, and helping her adult children navigate life's challenges. Caring for trees and helping people grow are what continue to make this work meaningful to her.
