Meet Your Bartlett Arborist Representative

James Tatem

James is a New Hampshire native, with a degree in Forest Technology from the University of New Hampshire. He began his career with Bartlett Tree Experts in 2010 and has since developed a strong passion for plant health and tree care. With over a decade of experience, he focuses on a science-based approach and commitment to preserving the beauty and safety of his clients' landscapes.

He is a New Hampshire and ISA-certified Arborist and holds several accreditations, including Tree Care Safety Professional and Tree Risk Assessment Qualified. He truly believes plant health begins from the ground up. Through soil sampling and prescription fertilization, an Arborist can make the largest impact on their client's landscape.

He enjoys spending time with family and friends, hiking, and going to the gym.
