BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Jason Pearn

Jason joined the Bartlett Tree Experts team in 2013. He first discovered his enthusiasm for this line of work while assisting in the disaster relief effort in New Orleans after Hurricane Katrina. He also worked part time through college performing tree maintenance and landscaping. He graduated from East Stroudsburg University with a Masters in Clinical Exercise Physiology with a focus in Cardiac Rehab. Jason quickly developed a passion for the science behind tree care. He has been a Crew Leader for Bartlett since 2014 and has performed all aspects of tree care. This role has prepared him well for his current position as an ISA Certified Arborist. Jason is also a Certified Pesticide Applicator and a Certified Tree Care Safety Professional. Originally from Montgomery County, Jason grew up in a military family and traveled the world. He lived in New Jersey, Okinawa, Japan, Quantico, Virginia, and San Diego, California before returning home to Pennsylvania. He currently lives in Exton with his wife and enjoys the outdoors.
