Meet Your Bartlett Arborist Representative

Joshua Noyes

Josh started his career in the tree care industry in 2015. After a few short years, he became a top Crew Leader.

He obtained his ISA Certified Arborist License in 2018.

In May of 2019, Josh joined Bartlett as an Arborist Climber and Crew Leader at the Hooksett, NH office where he continues to expand his knowledge and love for the Tree Care Community. Josh has now become one of a great group of arborist representatives in our Hooksett, NH office.

Josh and his wife Emily own a home in Raymond, NH, where they love to spend time camping, hiking and enjoying the beautiful New England landscape.

Josh believes every tree is like a house, without the proper foundation the tree will never be successful. He also maintains that a properly exposed root flare and correct soil composition are integral to that foundation and are two of the most important factors for tree life and health.
