BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Kevin Nietering

Kevin attended Grand Valley State University, earning a bachelor's degree in natural resource management. He gained experience during an internship with the City of Grand Rapids Forestry Department. Continuing his education at Michigan State University, Kevin earned a master's degree in urban forestry, studying the conflicts between tree roots and urban infrastructure.

After his graduation in 2017, he started working at Bartlett Tree Experts as a Plant Health Care Specialist, caring for many of West Michigan's beautiful landscapes and protecting them from native and exotic pests. He has also worked on pruning crews, gaining experience in those aspects of tree and shrub care.

Kevin is an ISA Certified Arborist and ISA Tree Risk Assessment Qualified. As an Arborist Representative, Kevin services the Zeeland and Hamilton area, as well as Saugatuck south to New Buffalo on the lakeshore. He looks forward to working with his clients to help them maintain the health, safety, and beauty of their landscapes.

In his spare time, Kevin enjoys spending time with his wife and kids at the family cabin in Northern Michigan.
