Meet Your Bartlett Arborist Representative

Michael Smith

Michael began to love the outdoors while camping with the Boy Scouts and with his family growing up.

After graduating from Pantego Christian Academy, he knew that he wanted to work in the green industry in a field that he loved. He then enrolled in the Forestry program at Stephen F. Austin State University.

After receiving his bachelor's degree in Forestry, Michael began working for Alpine Tree Service as a plant healthcare technician, stump grinder, and grounds man on a tree maintenance crew.

He acquired his ISA Certification in 2016. In 2017, Michael accepted a promotion to a sales arborist position. He looks forward to representing Bartlett Tree Experts following the acquisition of Alpine Tree Service.
