Meet Your Bartlett Arborist Representative

Michael Spaziani

Michael's choice to pursue a career in the tree service industry was inevitable, because he's been a nature enthusiast his whole life.

He joined Bartlett Tree Experts in 2011 as a climber, earned a crew leader position, then aspired to learn Plant Health Care as a Specialist. Michael then became an Arborist Representative in 2018.

His passion for the tree care industry and his ambitious personality have enabled him to develop expertise and knowledge about tree removal, pruning, insect and disease management, as well as soil care. Michael will bring these assets to his clients' properties.

Michael was born and raised in Kennett Square, Pennsylvania. You'll find him spending his free time with his family and friends.
