

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Parker Reed

A Pittsburgh native, Parker has always had a deep appreciation for the urban forest and its relationship to the communities within. This passion led him to Slippery Rock University to pursue a Bachelor of Science in natural resource management with a minor in sustainability. He began with Bartlett in 2022 and, through dedicated work in the field, Parker achieved positions such as Climber, Plant Health Care Specialist, and Local Office Safety Coordinator prior to becoming an Arborist Representative.

Parker is an ISA Certified Arborist and a Certified Tree Safety Specialist. He is passionate about utilizing Bartlett's scientific-based approach to better serve the beautiful landscapes of Pittsburgh. His mission is to assist clients in making informed decisions to achieve their goals for their properties.

In his free time, Parker spends most of his time outdoors with his family. He enjoys hiking, backpacking, fishing, and bird watching. And of course, following his beloved Pittsburgh sports teams!
