SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Sarah Westlund

Sarah, a passionate planter from northern Illinois, pursued a career in the landscape industry after earning her bachelor's degree. With extensive experience in garden design and maintenance, she transitioned to arboriculture, combining her love for sustainability, stewardship, and forest conservation with her desire to help others care for their trees and landscapes.

Sarah received her Arborist certification in 2006, and joined Bartlett in 2024 with an eye toward working closely with clients to understand their goals and ensure their trees and landscapes thrive.

She lives in the northwest suburbs with her husband and two daughters. They often explore new destinations in their Airstream, from nearby escapes to far-flung adventures.
