Meet Your Bartlett Arborist Representative

Tyler Taylor

Ty has a Bachelor of Science in Psychology from the University of Illinois. However, there are many Certified Arborists in his family and shortly after graduating Ty realized his true passion had always been arboriculture. He began his career with Bartlett Tree Experts in 2015, assisting both arborists and clients as a Plant Health Care Specialist.

Ty is a Certified Arborist with the International Society of Arboriculture (ISA), an active member in the Illinois Arborist Association (IAA), he is Tree Risk Assessment Qualified (TRAQ), and a Certified Tree Care Safety Professional (CTSP). He enjoys helping clients make educated decisions regarding trees and shrubs to maintain the health and value of their properties.

Ty lives in the northern suburbs with his brother and their two Boston terriers, Baxter and Gandalf.
