Meet Your Bartlett Arborist Representative

Will Gordon

Will is a South Dakota native who moved to the San Marcos area in 2015 and began his career at Bartlett Tree Experts. Starting as a Grounds Person, he quickly progressed to a Climber role and later to a Foreman position. With the training and mentorship he found at Bartlett, Will grew to be a skilled and knowledgeable arborist. While he was in production roles, Will traveled across the country helping various Bartlett offices with emergency storm response. He has earned Bartlett Champion status multiple times in his time with the company.

As an Arborist Representative, Will serves the San Marcos area. Backed by the resources of the Bartlett Research Laboratories, he helps clients make informed decisions to maintain the health and beauty of their trees and shrubs.

In his free time, Will enjoys camping, road trips, and hiking with his dog, Biggs.
