BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Zachary Ainslie

Zach grew up in Chester County where he developed a love for the outdoors at an early age. This passion for the outdoors took him to New York where he earned an Associate Degree in forest technology and then went on to SUNY College of Environmental Science and Forestry (ESF) in Syracuse where he earned a Bachelor of Science in forest resource management. Zach returned home to Pennsylvania in 2006 and began his career in the tree care industry. He joined Bartlett Tree Experts as an Arborist Representative in 2017 and has continued to serve clients' needs in arboriculture, plant health care and landscape management.

An ISA Certified Arborist, Zach is also Tree Risk Assessment Qualified (TRAQ) and a licensed PA commercial pesticide applicator. He has a passion for diagnosing plant illness and a knack for developing creative solutions to landscape challenges.

In his free time, Zach enjoys hiking, fishing, golf, and spending as much time in nature as he can with his wife and two kids.
