BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Bill Eck

Bill grew up in the heart of the Allegheny National Forest and has naturally developed a love of trees and the outdoors since childhood.

He increased his knowledge about the forest at Penn State where he earned his B.S. in Forest Science in 2003. He went on to study Forest Ecology at West Virginia University where he earned his M.S. in 2006.

Bill came to Bartlett Tree Experts after graduation, attracted to the company's scientific approach to tree care. He started out as a Plant Health Care Specialist and quickly advanced to an Arborist Representative position in 2010.

Bill is now our Local Manager, but still works with customers in 20008 and 20016 Zip code areas. He has developed a depth of knowledge of the trees, pests and diseases, soils, and people in this small sliver of upper northwest.
