BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Caleb Swinn

Caleb graduated from Indiana University of Pennsylvania with a degree in History, but his path took an unexpected turn after watching a friend climb and remove a tree. Intrigued with the skills, he entered the industry and worked from Groundsman to Climber, Foreman, Plant Health Care Specialist, and Arborist Representative. With more than a decade of experience, he continues to expand his expertise in all aspects of tree care.

Caleb is an ISA Certified Arborist and a PA Certified Pesticide Applicator. He is committed to lifelong learning and professional development through continuing education and industry training. His career has given him the opportunity to work on historic properties and significant trees throughout the region, combining his professional passion with his appreciation for history.

Caleb is an avid golfer, outdoorsman, and sports enthusiast. He enjoys reading long "boring" history books and playing vintage string instruments such as guitar, mandolin, and banjo.
