Meet Your Bartlett Arborist Representative

Clarence Biddy

Clarence has been a professional tree specialist for over 29 years. He is an expert in all aspect of the tree care industry. He began his career in 1987 with Tree Clinic as a climber in the production department.

In 1988, he took on the role of Plant Science Specialist, which he continued until 1991. From 1991 to 1993, he was responsible for managing the production department. Early in 1993, he moved into the position of Arborist Representative, bringing his vast knowledge to existing and potential clients. In 1996, he earned his Certified Arborist License, as well as a certification in Oak Wilt from the Texas Forest Service when it became available in more recent years. In 2016, Tree Clinic became a division of the Bartlett Tree Experts family. Bartlett is helping Clarence further enrich his knowledge and care of trees through plant sciences, with resources available at Bartlett Research Laboratories.

Clarence is a dedicated family man that enjoys hunting and fishing.
