BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Daniel Sprinkle

Daniel is a Western North Carolina native who is passionate about caring for the trees and landscapes that make this region so special. A graduate of Appalachian State University with a B.S. in English Education, he spent 15 years as an educator and also served in the U.S. Peace Corps in Thailand, where he supported educational and agricultural projects.

His love for trees and the outdoors led him to join Bartlett Tree Experts in 2024. Since then, he has gained hands-on experience as a Plant Health Care Specialist, Crew Leader, and Ornamental Pruner, giving him a well-rounded perspective on tree and shrub care. Daniel combines technical knowledge with a personalized approach to help clients protect and enhance the beauty, health, and safety of their landscapes.

When he's not working, Daniel enjoys spending time with his wife and two sons and tending to his extensive gardens. His passion for native trees, shrubs, and wildflowers extends well beyond his career and reflects his lifelong connection to the landscapes of Western North Carolina.
