BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

# Meet Your Bartlett Arborist Representative

## David Chalker

Trees have always been a part of David's life. As a teenager, Dave worked in a tree nursery, where he developed a unique perspective on the care necessary for comprehensive plant health. He later attended Cape Cod Community College's Horticulture Certificate Program, giving him detailed knowledge in the field of tree care. Today, with over eighteen years of arboricultural expertise, Dave is Bartlett's Arborist Representative for the lower Cape. David is affiliated with several conservation trusts, commissions and home improvement associations located along the lower and outer Cape. He has provided various lectures for a number of Garden Clubs and Master Gardener programs across Cape Cod. Dave is a Certified Arborist with the International Society of Arboriculture and is a member of the ISA's New England chapter. David's favorite trees are the Cape's majestic trees, especially the native plants that enhance the fragile plant life that Cape Cod offers.
