

## Meet Your Bartlett Arborist Representative

### Derek Furry

After completing the Penn State Mont Alto forestry program, Derek joined Bartlett Tree Experts in 2011. From his start in the Nantucket, MA office, Derek's career progressed. He held positions including Crew Leader, Plant Health Care Specialist, and Local Office Safety Coordinator prior to becoming an Arborist Representative.

An ISA Board Certified Master Arborist, Derek holds a Tree Risk Assessment Qualification (TRAQ) and is also a licensed pesticide applicator in Pennsylvania, Maryland and West Virginia, and a Licensed Tree Expert in Maryland. Derek has a comprehensive understanding of all phases of tree care and he loves meeting new people and developing lasting relationships! His favorite part about working with trees in the landscape is learning about the underlying reasons people care about their trees.

Derek is a board member of the Penn State Mont Alto Forest Technology Advisory Board and is an advisor to the Waynesboro, PA and Shepherdstown, WV Shade Tree Commissions.

Derek, his wife and two boys live in western Franklin County, PA. They enjoy spending time with family, going to church, working in the garden, tending to their animals, and being outside!
