# Meet Your Bartlett Arborist Representative

## Eric Smart

Eric graduated with a degree in English-Rhetoric and Theory from Ohio University in 2019. He joined Bartlett in 2021 as a Groundsperson and Climber Trainee. As his training progressed, he became both a Plant Healthcare Specialist and a Climber.

During his employment at Bartlett, he acquired both the ISA Arborist Certification and Tree Risk Assessment Qualification (TRAQ).

On a daily basis, he gets the opportunity to talk with clients, answer questions, diagnose issues, and recommend solutions. He strives to help people achieve or maintain the beauty, vigor, health, and, above all, safety of the green spaces that they have created. In his free time, he'll either be in the kitchen or curled up on the couch with a book next to his cat Nova.
