BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Everett Jones

A proud North Carolina native, Everett was born and raised in Durham. After learning the fundamentals of arboriculture in the Pacific Northwest, he returned to North Carolina and began his career with Bartlett Tree Experts in 2010 as an Arborist Climber. He quickly became a leader in the Raleigh, NC office. Everett's greatest passions are trees and people. Prior to becoming an Arborist Representative, he spent seven years as Local Office Safety Coordinator, teaching safe and proper arboricultural practices to protect, and further the careers, of the production team.

Everett is a Certified Arborist with the International Society of Arboriculture (ISA), and a Certified Tree Care Safety Professional. He is also Tree Risk Assessment Qualified (TRAQ) and currently an ARC First Aid/CPR Instructor. Drawing on his knowledge and the diagnostic support of the Bartlett Research Laboratories, Everett and his team can answer all your tree and shrub care questions and provide recommendations that will keep your landscape healthy, safe and beautiful.

Everett and his wife have four kids --two girls and two boys. In his free time, he enjoys woodworking, fine carpentry, fishing, and spending time with his family.
