Meet Your Bartlett Arborist Representative

Jose Lainez

Jose grew up in Montgomery County, Maryland, where his appreciation for trees and the outdoors first took root. He joined Bartlett Tree Experts in 2017 as a Tree Climber and quickly developed a broad skill set through hands-on experience in all aspects of tree care. Over the years, Jose advanced through the roles of Crew Leader and Plant Health Care Specialist before becoming an Arborist Representative

Jose proudly serves clients throughout Derwood, Damascus, Gaithersburg, and Laytonsville, helping homeowners make informed decisions about the long-term care of their trees and shrubs.

When he's not working, Jose enjoys spending time with his children and taking advantage of any opportunity to be outdoors. Whether it's enjoying nature with his family or staying active outside, he values the connection to the outdoors that first inspired his career and continues to bring him fulfillment today.
