SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Joseph Borden

Joe began his passion for tree care in 1987 under the guidance of John C. Britton, a renowned Arborist, and became a Certified Arborist in 1988. Joe progressed through the ranks of tree care professionals from Groundsperson to Board Certified Master Arborist. Growing up in Angwin, Joe has remained local throughout his career, managing urban and suburban forests in Napa and Sonoma counties.

An ISA Board Certified Master Arborist, Joe also holds a QAL and has extensive experience in cable and prop installation for failure potential reduction. Joe believes that trees are the most important part of any landscape and has a strong desire to work with people to maintain them.

Joe's weekends are generally spent on the golf course with his family and friends. He loves the links almost as much as taking care of trees.
