BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Kevin Juchno

Kevin holds a master's degree in biology with a focus in forest ecology and entomology and brings a strong science-based approach to diagnosing tree health issues, developing plant health care programs, and managing tree risk for both residential and commercial properties. He has worked in 10 states and two countries, giving him a deep understanding of how different ecosystems, including complex urban ecosystems, influence tree health, risk, and long-term management.

Kevin Juchno is a Board-Certified Master Arborist, ISA Tree Risk Assessment Qualified professional, and Certified Treecare Safety Professional with more than 16 years of experience in arboriculture and urban forestry.

When Kevin is not working with trees, he enjoys hiking, camping, exploring the Rockies and western United States, playing music, and working with horses.
