Meet Your Bartlett Arborist Representative

Mark Reddinger

Mark grew up in Howard County, Maryland, where he developed a lifelong appreciation for the outdoors. After attending the University of Maryland, he joined Bartlett Tree Experts in 2014 and has since built extensive experience across multiple roles, including Plant Health Care Specialist, Climber, Crew Leader, and Arborist Representative. Having worked both on the ground and in the trees, Mark brings practical expertise and firsthand knowledge to every property he visits.

Mark is an ISA Certified Arborist, Maryland Licensed Tree Expert, and Certified Pesticide Applicator. He is committed to staying current with industry best practices and applying his experience to help clients make informed decisions about their landscapes. By working closely with homeowners to understand their goals, Mark provides thoughtful recommendations that support the long-term health, safety, and beauty of their trees and shrubs.

Outside of work, Mark enjoys spending time outdoors with his wife and their dog. Whether hiking local trails, camping, or exploring new natural areas, he values opportunities to stay connected to the environment that first inspired his career in arboriculture.
