

**BARTLETT
TREE EXPERTS**

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Matthew Levett

Matt has always had an interest in trees, keeping Bonsai trees from an early age he followed his passion and pursued a career in trees in 2005. He joined Bartlett in 2015 at our Sevenoaks office to oversee crew operations where he then became Local Office Safety Coordinator and then Assistant Manager where he gained his knowledge of Arboriculture. Matt has since moved on and now manages our East Grinstead office.

Matt is an ISA Certified Arborist, Professional Tree inspector and is Tree Risk Assessment Qualified. He enjoys furthering his education in science and Plant Health Care. Having access to the diagnostic resources of the Bartlett Research Laboratories in Reading, helps him give his clients the best, most up-to-date advice and recommendations for their trees and landscapes.

Matt lives in Oxted and in his spare time is regularly at his local gym. He enjoys cooking, being outdoors, spending time gardening, and walking with his dog.
