BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Michael DeGregorio

Mike grew up in the rolling hills of northcentral Pennsylvania where he developed a strong passion for trees and the outdoors. He attended college at Penn State, graduating in 2011 with a B.S. in forest science. Mike's desire to work with people prompted him to focus on caring for individual properties rather than forest landscapes. This led to him accepting a job with Bartlett in 2012. He began his career as an arborist trainee and quickly progressed to arborist climber, crew leader, and plant health care technician. Mike recently moved into the position of Arborist Representative where he can provide his clients with the highest quality service possible in the tree care industry.

Mike is an ISA Certified Arborist, Licensed Maryland Tree Expert, TCIA Certified Treecare Safety Professional, and carries both Maryland and District of Columbia pesticide applicators licenses.
