BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Robert Grace

Robb Grace grew up in the Midwest and has been growing his roots in and around Philadelphia for the past twenty years. He graduated with a Bachelor of Arts in Mass Communication, Sociology, and Spanish from Illinois State University. He began climbing trees one week after the birth of his first daughter and joined Bartlett Tree Experts in 2026.

After forming and running his own business for most of his career, he began contract climbing for many local tree and landscape service companies. When the time came to hang up the saddle, he sought out Bartlett Tree Experts for their scientific approach and commitment to safety.

When not looking at trees for work, he reads and hikes the Pennypack with his wife and four kids.
