BARTLETT TREE EXPERTS

SCIENTIFIC TREE CARE SINCE 1907

Meet Your Bartlett Arborist Representative

Tim Pinzino

Raised in Plymouth, Tim has a unique understanding for the trees of New England. Tim began his career in arboriculture as a teenager working for tree nurseries, where he grew a keen eye for the pests and diseases that challenge tree health. He pursued these interests at UMass-Stockbridge, earning a degree in Landscape Contracting. Through his coursework in arboriculture, Tim gained a detailed knowledge for the care and scientific approach necessary for comprehensive tree management. Tim brought his expertise to Bartlett in 2001 as an Integrated Pest Management technician. Now the Arborist Representative for southern Massachusetts and upper Cape Cod, Tim carries a complete understanding of every facet of advanced tree care. He has worked with Riverview Elementary School to care for shade trees for children. He is a Certified Arborist with the International Society of Arboriculture. Tim and his wife have three kids. They live with their dog, Spank, in Plymouth.
