Meet Your Bartlett Arborist Representative

Travis Morgan

Travis has been in the tree care industry since he started with Bartlett Tree Experts in 2006. He has always had a strong interest in the trees and outdoors around his new Nashville home.

Travis was attracted to Bartlett's scientific and holistic approach to tree care. He has been involved in arboriculture and horticulture ever since. Travis is an ISA Certified Arborist and Virginia Tech graduate. He holds a Bachelor of Science degree in Forestry. His strong background in insect and disease management and love of the outdoors make him a natural fit for the area.
