EPA Reg. No. 7969-370

This recommendation is made as permitted under FIFRA Section 2(ee) and has not been submitted to or approved by the EPA.

All applicable directions, restrictions, precautions, and Conditions of Sale and Warranty on the EPA registered label are to be followed.

Information contained in this Section 2(ee) Recommendation is not intended to replace or amend any product labeling. Always read and follow all label directions when using any pesticide alone or in tank mix combinations.

The user must have this recommendation in their possession at the time of use.

Use of this product according to this bulletin has not been reviewed or endorsed by the Office of the Indiana State Chemist.

Directions For Use

To control black root rot (*Thielaviopsis* spp.), follow preventive treatment drench instructions for **Soilborne diseases** in **Table 2** of the container label. Also refer to the container label for all restrictions and limitations.
